We are calling all undergraduate students, graduate students, and faculty

This is a new opportunity to create a space to promote all levels of research at VSU.

It is open to all VSU community members and welcomes accomplished and novice researchers.

The community will meet monthly to consider ideas, ask questions, discuss issues, collaborate, and share active research projects.

This is an informal group with no agenda except to support those interested in or active in research.

The first meeting will be Wed. Jan 27th at 3:00 online. http://bit.ly/VSUResearch2020
