Alternatively, recently accessed reports can be opened on the "Home" page:

– manually enter a code in the appropriate textbox. You can use a semi-colon between codes if you wish to view results for more than one specific parameter:

	071:148107:	elect.Value	et 2022.	
mailinSelect Value		12021 12:00:0 + 06/30/2022	<u>05:00:0</u>	Account -Select Value
	Apply Reset 🔻			

– select one or more codes from the dropdown menu. *Note:*

Administrators who have access to many budget areas may not see every available code in the list and would need to click "More/Search" to see all available items:

By default, the report will only display the first 30 rows of information. Use the arrows at the bottom to navigate through or display the rest of the information:

Once you have queried the information you need, you can export the data to an appropriate format for sharing or manipulating outside of the OBI reporting system:
