Step	Action
3.	<p>The Exceptions page is displayed including any current exceptions.</p> <p>Note: There are two categories of exceptions: High and Medium/Low. High exceptions must be resolved in order for the time to be paid. Examples of high exceptions include invalid punch order or incomplete punch. Medium/Low exceptions can either be resolved or allowed. An example of a medium/low exception is a long shift. Medium and Low exceptions will not prevent the employee from being paid.</p>
4.	<p>The Sort button allows you to filter the list of exceptions by Explanation, Severity of Exception and Date.</p> <p>Click the Close button.</p>
5.	<p>You can view the exceptions on your timesheet by clicking the Time button.</p>

Note: For High exceptions or other incorrect information on your timesheet, notify your
