Privacy Act (FERPA): The Family Educational Rights and Privacy Act (FERPA) prohibit the public posting of grades by social security number or in any manner personally identifiable to the individual student. No grades can be given by email or over the telephone, as positive identification can not be made by this manner.

Disruptive behavior: No disruptive behavior of any kind will be tolerated in this course. Students should restrict talking and discussion to pertinent questions related to course material and these questions should be directed toward the instructor. Entering a classroom late or early is discouraged. Any student disrupting lectures will be required to leave the classroom. Use of cellular telephones, pagers, or any similar remote communication device is prohibited during class time.

Biology Tutoring/SSC. The following statement was copied from the SSC Website: "The Student Success Center (SSC) at Valdosta State University is located in Langdale Residence Hall above the Tech Shop and is available to all students. The SSC provides free peer tutoring in core curriculum courses, including biology, chemistry, math, writing, and foreign languages. The SSC also provides free professional academic advising and on-campus job information in one location. Call 333-7570 to make an appointment, or visit the website: www.valdosta.edu/ssc."

Students with Disabilities: Students requesting classroom accommodations or modifications because of a documented disability must contact the Access Office for Students with Disabilities located in room Farber Hall. The phone numbers are 245-2498 (voice) and 219-1348 (tty).

Student Clicker Use Acknowledgements:

1. I understand that for this course, I will use a Clicker where my responses and submission from this device plays an integral part in my class participation and grades in this course.
2. I understand that my responsibility for this course is to purchase a Clicker from the VSU Bookstore (The XR ResponseCard made by Turning Technologies) by the date specified by my instructor.
3. I understand that I must be present in class when The Clicker Orientation is given. The presenter(s) of this orientation shows students how to use Clickers for this course, and shows students where to find online guides and support information on the Clicker website. If I miss this orientation, I understand that I am responsible for reviewing the online orientation.
4. ID number which is located on the back of my Clicker under the barcode. I must submit/register the Device ID Number by the date specified my instructor.
5. If I lose my Clicker or have to replace it for any reason, I understand that I have to log into my course and submit this new e can update the Clicker Participant list in order to
