## ASSESSMENTS

### Lecture

The lecture assessments will consist of four exams and one paper presentation. The fourth exam will be a comprehensive final.

Exams 1,2 and 3 will be taken during class time and must be turned in by the scheduled end of class. The final exam will be on Friday December 7, 2018 from 2:45pm to 4:45pm in BC 2022.

Exam grades will be posted on Blazeview.

All exams are based on lecture material and assigned readings.

Exams questions are multiple choice, true/false, matching and short written answers.

If you fail to attend one of the exams for any reason, you must provide documented evidence (e.g. from doctor, police, etc.) that circumstances beyond your control prevented you from taking the exam. Failure to provide reasonable evidence will result in a grade of 0 for the exam. Makeup exams will be administered at any time during the semester at the discretion of the instructor.

If you arrive late for an exam you will be allowed to take the exam. However, you must turn in the exam paper at the regular scheduled end of the class. You will not be allowed extra time unless a documentable emergency has occurred.

**Behavior in the Classroom**

It is assumed that all students will act in a mature manner in the classroom, showing consideration for their peers and the instructor. Any student who consistently distracts other students or the instructor will be removed from the course. **All electronic devices must be turned off or set to silent mode in the classroom.**

**Cheating or Plagiarism**

Incidents of cheating or plagiarism will result in
