All assignments are due at the start of class on the assigned date. Assignments can be completed however, no assignments will be accepted after the due date. Assignments not turned in will receive 0 points. Rubrics for all assignments and projects are provided on the course Blazeview website.

Major Field Test: The ETS Major Field Test (MFT) is a comprehensive, standardized test designed to evaluate the student's general knowledge in the disciplines of biology. The test scores will be used to evaluate the effectiveness of the department's curriculum, and VSU results will be compared to the national average to identify possible weak areas in our curriculum. Thus, students should take it seriously and make every effort to excel on it. Completion of the ETS Major Field Test with a score of 140 or higher is a course requirement, and students who fail to complete the ETS Major Field Test will receive a grade of unsatisfactory for the course.
