

B

while at Sapelo Island. Food for the class will be purchased collectively and it is anticipated that the total cost for the weekend will be about \$25. A non-refundable \$25 deposit will be collected from each student several weeks prior to the Sapelo Island field trip which will be used to purchase food. A complete f

Meeting the minimum point requirement for a letter grade does not necessarily assure that the student will receive the grade. Assignment of the final grade is the prerogative of the instructor. The overall performance, including patterns of consistency, trends toward improvement, and positive attitude demonstrated through attendance, participation, and cooperation.

Classroom conduct. Students are expected to comport themselves courteously at all times during lecture and laboratory. Disruptive behavior will not be tolerated, and students behaving in a disruptive manner will be asked to leave class or laboratory and will be referred to the Dean of Students for disciplinary action. Refer to Appendix A: Student Code of Conduct in the VSC Student Handbook accessible through the following Internet address.

<https://www.valdosta.edu/administration/studentaffairs/studentconductoffice/studenthandbook.php>

Consumption of food or drink (including water) is prohibited in the lecture room and the laboratory. Students should be punctual for all scheduled lecture and laboratory meetings, and, except in situations of emergency, students should not depart from lecture before being dismissed. Students are to direct their full attention to lecture and are to refrain from unnecessary discourse. Behavior contrary to these guidelines is disruptive.

Use of cellular telephones, pagers, and other such devices. Use of cellular telephones, pagers, or any similar remote communication device is prohibited during scheduled lectures or examinations. If students bring cellular telephones or similar devices to lecture, it is their responsibility to switch them off prior to the beginning of the lecture period. Ringing, buzzing, or any other sounds emitted from such devices will be treated as disruptive behavior on the part of the owner/possessor, and the owner/possessor will be asked to leave lecture immediately.

Academic integrity. Students are encouraged to work together and to learn from one another in an appropriate manner. Cooperation between students is especially encouraged in study outside of class. However, students should bear in mind that most work ultimately must be done individually and independently.

All examinations and tests are given to students individually and are to be completed independently. Cooperation by students on tests or examinations is prohibited and constitutes cheating. Unless otherwise indicated, tests and
