Assessment: For the lecture grade, four exams plus a comprehensive final will be given. Each exam will be worth 20% of your final grade. Exam questions will be in a variety of formats including (but not limited to) essay, short answer, multiple choice, fill in the blank, drawings, etc...Any questions concerning grading should be brought to the attention of the professor NO LATER than one week following return of the exam. NO make-up lecture exams or quizzes will be given for any reason. You may drop your lowest score from Exam 1,2,3, or 4. You may not drop the comprehensive final exam grade.

The final grade will be 80% of the exam scores above and 20% LearningCurve as discussed below.

Grade Scale: 90-100 = A, 80-89 = B, 70-79 = C, 60-69 = D, <60 = F
