Course Description: A laboratory course designed to accompany BIOL 1107 lecture, with exercises dealing with the cellular nature of life.

Pre- or Corequisite: BIOL 1107 Unifying Principles of Biology I. Note a grade of C or higher is required in both lecture and lab.

start. During class, there will be “performance checks”, these will also be worth 10 points. These will be specific tasks that I will observe to see if done properly. They will vary from lab to lab.

Homework: Throughout the semester I will assign short homework assignments.

Attendance Policy: Laboratory attendance is mandatory. Students who miss four or more labs, with or without a documented excuse, cannot receive a lab grade above a 60% (D) for the course.

If students must be absent due to a quarantine or isolation requirement for COVID-19, they must report this situation via the COVID Self Reporting Link in MyVSU and through the Dean of Students Office.

Report any other type of absence as well to the Dean of Student Office, which will send an absentee notice by email to all your Instructors.

Athletes and other University representatives: Please let me know in advance if you will be missing a lab due to an away game or other required event. You will need to make arrangements with me for you to attend an alternative lab section.

Lab Conduct:

Please arrive on time.

No eating or drinking in the lab is allowed.

You must take care of lab equipment. Notify th(niv(1)-4(a)9(b))TJETQq0.00000912 0 612 792 reW*nBT/F21a 60
