Accelerate Your Graduate Degree!

VSU's College of Humanities &cial Sciences offers an Accelerated Undergraduateto-Graduatetrack in many of our Bachelor's degrees that enables high-achieving undergraduates to take12 hours of courses (depending on the program)that can be dual counted for both Bachelor's degree and a Master's degree at VSUOften called "4+1," this program significantly shortens the time needed to complete a graduate degree.

In History, for example, undergraduates take 9 hours of courses that can be dual countefor their Bachelor of Arts degree and for their Master of Arts Degree; students who participate in this program as undergraduates onelyd take 21 more hours of graduate courses to earn. A.Megree in History at VSU.

4+1 programs enable undergraduates to complete almost of /a graduate degree by the time they finish a Bachelor's degree.

"The history 4+1 program gave me an extra boost towards graduate school, and showed me that I was capable to succeed at the graduate level." B. Cordell Moats (BA, 2021; MA, 2023)
