

The Speech and Hearing Clinic

NOTICE OF HEALTH INFORMATION
PRIVACY PRACTICES

This Notice describes how medical information may be used and disclosed and how the information is accessed. Please review it carefully.

Understanding Clinic Record/Information

At The Speech and Hearing Clinic, a record of each visit is made. Typically, this record contains presenting concerns, evaluation results, diagnoses, treatment information, and a plan for future care or treatment. This information, often referred to as health or medical record, serves as:

- f A basis for planning care and treatment;
- f A means of communication among the many health

and Health Care Operations without Written Authorization

The following areas describe the ways The Speech and Hearing Clinic may use or disclose health information. For each area, an example will be given. Not every use or disclosure in the respective areas will be listed; however, all the ways The Speech and Hearing Clinic is permitted to use and disclose information will fall within one of these areas.

We will use health information for treatment.

use it to study healthcare and healthcare delivery without learning the name of the specific client.
